Dear Brian Friedler:

Thank you for continuing to consult with the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the materials submitted in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed the supplementary information submitted to our office on December 7, 2024. Based upon our review, it is OPRHP's opinion that the proposed work will have No Adverse Impact on historic resources.

If you have any questions, feel free to call me at (518) 818-4592.

Sincerely,

A handwritten signature in black ink that reads "Ashley Barrett".
