

BOARD OF TRUSTEES
VILLAGE OF WARWICK
APRIL 3, 2023
REORGANIZATIONAL MEETING

9561

The Reorganizational Meeting of the Board of Trustees of the Village of Warwick was held on Monday, April 3, 2023, at 7:30 p.m. in Village Hall, 77 Main Street, Warwick, NY. Present was: Mayor, Michael J. Newhard, Trustees: Barry Cheney, Carly Foster, and Mary Collura. Trustee McKnight was absent. Also present was Village Clerk Raina Abramson. Others present: Deanna Collura-Karsten, Adele Collura, Nora Gurvich, William Lindberg, John O'Connor, Jen O'Connor, Chris Olert, and Nicole Hixon.

The Mayor called the meeting to order and led in the Pledge of Allegiance.
The Deputy Village Clerk held the roll call.

Mayor Newhard gave a short introduction to the Village's 2023 Reorganizational Meeting by reading a portion of his weekly Mayor's column:

Spring is a time of renewal. A moment to take stock, assess, reframe. We do that in our lives but also it is done in local government. This evening is the first Village Board meeting of the month and like all villages throughout New York State the first meeting in April is a reorganizational meeting. This is a critical meeting, it's when official contracts are renewed, appointments are established and when Trustees are given their liaison roles and focus for the coming year. It is also the meeting that newly elected officials take their oath of office and begin their term. Tonight, Mary Collura will be sworn in and begin her service to our community as a trustee. I would like to congratulate Mary on her win at the polls. I'm looking forward to working with her and believe she will bring unique talents and skills to the Board. Thank you to Bill Lindberg who was a pinch hitter on the Board for 7 months! Bill was appointed to fill a vacancy which was until a formal election could be scheduled. In a short window of time Bill worked on numerous policies including regulations for Short Term Rentals and rewriting our Ethics policy.

This is also the end of the first year for Trustees Carly Foster and Tom McKnight. I want to thank them for their excellent work and service. Both Carly and Tom were instrumental in finalizing the Village's Comprehensive Master Plan. Carly has been spearheading multiple projects such as the Memorial Park Master Plan, rewriting the Film Code as well as significant grant opportunities. Tom's work on Climate Smart Communities designation garnered us a Bronze status. We are the first municipality in Orange County to receive this designation.

There has been a great deal of internal activity at Village Hall. An election involves a tremendous amount of focus, the details leading up to the actual day were very carefully administered by our Village Clerk, Raina Abramson. I am grateful for her level of professionalism and sense of responsibility. Thank you as well to the men and women who manned the polls. We appreciate your valuable service. Beyond the intense activities

that surround the election Raina was also working on a Records Management Grant - multi tasking as an extreme sport! Thank you, Raina.

Mayor Newhard said, ‘This is really a snapshot of what is happening at this moment at Village Hall but it’s not like Groundhog Day. It’s a recurrent theme where we all take our jobs very seriously and we all respect the idea that we are here to serve. This is a wonderful night and I’m very grateful to bring you on board.’

Oath of Office of Newly Elected Official

Village Clerk, Raina Abramson, administered the Oath of Office to newly elected official, Mary Collura, for the Office of Trustee with a one-year term to fill a vacancy of an unexpired term.

Mayor Newhard stated that this is a historic moment because he doesn’t believe there has ever been two women on the Village Board simultaneously.

Discussion

Trustee Foster explained that the prior motion and the prior budget amount did not include some of the key elements that the Village wanted to be included in the survey such as the delineation of the flood plain and the wetlands but even with the inclusion of those elements, it was still lower than the other proposal that the Village received and also had features that they felt was in the Village's best interest and will be done by aerial photography. Trustee Foster said that the Village needs to move forward with this as soon as possible because once the trees have their full leaves, it will be a lot more difficult to conduct the survey.

Final Comments from the Board

Trustee Cheney:

Trustee Cheney stated that he already mentioned about not flushing last year because there wasn't enough water in the reservoirs and were in a draught situation, however that cleared up approximately early December and the reservoirs continue to be full and overflowing. Trustee Cheney said that it's always good to come out of the winter with full reservoirs.

Trustee Cheney added that the Village has been accumulating surplus water meters and is finally at the point where there are too many around, but also enough to interest salvage companies in purchasing them. The Village has now received about \$4,000 for the salvage cost.

Trustee Foster:

Trustee Foster explained that she has been attending webinars with the local infrastructure hub on the Safe Streets for All Grant and that the notice of grant funding opportunity came out on Thursday. Trustee Foster stated that it is competitive funding that is available nationwide, one billion dollars, with roughly 40% that has to be spent on planning related initiatives but that can be demonstration projects, with a significant portion that also must be spent in rural communities with a possible 50-50 split. Trustee Foster said that she is still processing the information and asked to have a discussion at the next board meeting.

Trustee Foster added that next week there will be another meeting with the Veterans Memorial Park Stakeholder Advisory Group. Karen Arent, the Village's landscape architect, has put together the draft plan that the group will be working on. Trustee Foster said that they will try to schedule a public meeting in early May. Trustee Foster also added that hopefully the film policy can be reviewed soon as well before the season kicks in.

Trustee Foster said that there is a vote tomorrow from 9 a.m. to 9 p.m. for the library budget at the library.

Mayor Newhard:

Mayor Newhard stated that on behalf of the Board, to all our Jewish friends and neighbors, have a blessed Passover and to our Christina friends and neighbors, have a very happy Easter.
