BUILDING PERMIT – NO WATER AND SEWER

Information Sheet

Please read and understand this information before signing your permit.

Important

The permit applicant and property owner:

1. Accepts the responsibility to perform all work in accordance to the description, plans, and specifications submitted. The applicant further agrees to perform all work in accordance with State and Local Building Codes and the Local Zoning Ordinance.
2. Understands that all electrical work will be inspected by a third party, certified Electrical inspector and must call and arrange for electrical inspections directly with the independently chosen Electrical Inspector. The building/property owner is responsible for obtaining the appropriate insurances and qualifications of the Electrical Inspector. The Village of Warwick assumes no responsibility or liability for electrical work. All electrical work must be performed by an Electrician licensed to perform electrical work in Orange County, N.Y.
3. Will submit the appropriate proof of Workers Compensation (no Accord forms).
4. Fees

➤ Please see the Village of Warwick Schedule of Fees found on the Village's website: www.villageofwarwick.org

Documentation required with the building permit

Two sets of plans signed and stamped by a design professional. One set of plans will be returned with the permit and must remain on site and available to the inspector. **Exceptions: roofs, sheds, above ground pools, generators, and fences.**

Survey

Site plan

Inspections

Inspections must be scheduled (phone or email) a minimum of 24 hours in advance.

A certificate of occupancy will not be issued unless the inspections listed on page two are scheduled by the applicant and performed by the Code Enforcement Official. The applicant is responsible for closing out all permits.

Documentation needed for a Certificate of Occupancy/Compliance

An updated survey (if the footprint of a structure has changed)

Design professional affidavit signed and stamped (page 3) if plans were submitted with the permit

Final electrical certificate

Certificate of Occupancy application (page 3)

The permit will be emailed to the property owner within 30 days after submission and is valid for one year.

The applicant understands and will submit the affidavit by a Registered Architect or Professional Engineer on all projects requiring a stamped plan when the project is completed (see page 3).

All Applicants in the Historic District and ALL Commercial Properties must go before the AHDRB

***The applicant must notify the Building Department when the project is completed.
