**Schedule of a Public Hearing for the 2020 Orange County Community Development Program**

A **MOTION** was made by Trustee McManus, seconded by Trustee Cheney and carried to schedule a Public Hearing on Monday, April 1, 2019 at 7:30 p.m. to discuss projects considered for funding under the Orange County Community Development Program. Four Ayes

**Discussion Prior to Vote**

Mayor Newhard: Just for discussion sake and for the record is that last year we were an umbrella organization, or umbrella, for the Community Center. It's becoming more and more difficult to get HUD funding for projects. At the end of the day they're project was not funded.

Trustee Patterson: Oh really?

Mayor Newhard: Yes, and this has happened throughout the County, mostly because of the HUD guidelines have become much stricter and there has been a reevaluation of what's being funded and not on the County level, actually on the State and Federal level. So, I have a meeting with Nicole Anderson who is now the director of Community Development for the County on Monday. We're meeting here and we're going to be reexamining the HUD project that we had on High Street which the funding is still available and potentially framing it towards handicap accessibility and so that will be good and then Linda Smith will be here as well and Mike Moser and our Village Engineer to look at the walkways, internal walkways in Stanley-Deming Park that surround the Warwick Playground Dreams as a handicap accessible walkway that creates accessibility to this handicap playground. So, that's potentially this year's funding, so just to give you the heads up.

Trustee Patterson: Ok.

**Adjournment**

A **MOTION** was made by Trustee Patterson, seconded by Trustee McManus and carried to adjourn the meeting at approximately 11:15 a.m. Four Ayes.
