Presentation

1. Melissa Stevens - Warwick Fire Department Carnival.

Melissa Stevens stated that the Warwick Fire Department would like to have the Fireman's Carnival at Veterans Memorial Park on Wednesday, June 23, 2021 through Saturday, June 26, 2021. Fireworks are scheduled for Saturday, June 26, 2021, with a rain date of Sunday, June 27, 2021. Melissa stated that the Warwick Fire Department has been working with Trustee Lindberg, the fireworks company, and the carnival company to complete the insurance forms and required paperwork needed for approval.

Melissa stated that the fire department has been working closely with the Orange County Health Department to meet the COVID guidelines to hold the event. Melissa asked what the Board of Trustees opinions are and how they feel about the Fireman's Carnival.

Mayor Newhard stated that the current restrictions are at 33% for events. Melissa agreed that as of today, that is correct, but Governor Cuomo stated restrictions will be lifted for amusement parks, gyms, etc. on May 19, 2021.

Trustee Cheney stated that his understanding of the Governor's relaxation is that it relaxed the percentage of participants, but it did not relax the CDC guidelines relative to masks and six-foot social distancing. That may be the controlling factor in how many people are let in and how to keep people apart by six feet. Trustee Cheney also asked if any thought has been given to putting the carnival off until September.

Melissa stated that the fire department did think about moving the carnival to September but the concern they are facing is that the company who puts on the carnival will not be available during the September timeframe. Melissa also stated the fire department will follow all the CDC guidelines that are in place during the carnival.

Mayor Newhard stated that the safety plan should be in place and ready to go. Trustee Lindberg stated that he has confidence that the fire department and Gillette will follow all the rules that are in place. The moving target is the rules and regulations that change day to day and would like the fire department to work closely with the Orange County Health Department. Melissa stated the fire department will have pre-sale tickets, counters at the entrance to check temperatures, sanitizers, masks, and people walking around the carnival reminding participants to wear masks.

Mayor Newhard stated that the events that have happened in the Village that were successful are the ones that have had control and followed COVID guidelines. The Farmer's Market is a great example, they only let a certain amount of people in, items are not touched, and there is a whole protocol that is followed. The Maker's Market was another successful event that had a closed off area and tight control over how many people come in and out of the event.

Mayor Newhard asked the fire department when they will be submitting their application and Deborah Schweikart stated it will be submitted by the end of the week. Mayor Newhard stated that all the documents will be reviewed by our insurance provider NYMIR.

Correspondence

Mayor Newhard read the following Correspondence.

Dear Village Board:

The Warwick Valley VFW Post 4662 is asking for permission and assistance from the Village Board to allocate a space for planting a commemorative Garden at Veterans Memorial Park.

The Garden is meant to recognize a deceased WWII Veteran, Village of Warwick resident and Purple Heart recipient, Benjamin Valenti, as well as all WWII Warwick resident Veterans.

We envision the Garden to be placed on the current grassy median, behind the Veterans Memorial Monument, between the first and second tree on the median.

The Garden will be comprised of 103 yellow flowers in recognition of Mr. Valenti's 103rd birthday on May 11th, 2021 and his service in the U.S. Army 39th Infantry Regiment, 9th Infantry Division. Mr. Valenti passed away in April of last year.

The Garden installation will require the replacement of the existing grass on the median with the planting of the flowers. We are asking for the Village's assistance in the removal of the grass, however we will be enlisting the assistance of Boy Scout Troop 45 for the planting of the flowers. A commemorative plaque will also be placed in the Garden.

We hope your favorable acceptance of and permission for our request will be granted so that the Garden may be in place for this year's Memorial Day ceremony at the Park.

We thank you for your consideration of our request and look forward to your favorable reply.

Carmine Garritano, Sr. Vice Commander, Warwick Valley VFW Post 4662

cc: Jose' Morales, Commander, Warwick Valley VFW Post 4662
Carmela Borrazas, Hugs for Courage

Mayor Newhard stated this garden idea came to his attention and he had a conversation with Carmine Garritano and volunteers last year, but sadly COVID happened so the plans were delayed. Mayor Newhard stated that he is glad to hear the idea has been reborn and it will be a lovely addition to the park.

Trustee Cheney stated the Village does have irrigation in the park but does not know if it is in the island itself. If it does not, the Village should investigate expanding the irrigation system, so it does cover the new garden.

Trustee McManus stated that if you drove by the park today you will notice that the Boy Scout Troop 45 has cleaned up the monument and planted for the spring and Memorial Day. Trustee McManus stated that it looks good and has improved over the past years. Adding the garden will enhance the area and community residents and family of Veterans have donated funds to purchase plants and items for the garden.

Mayor Newhard stated he will follow up with Carmine Garritano and let him know the Board of Trustees will work with him on the garden.
