Narrative Description Of The Intent Of The Proposed Action

The Village Board of the Village of Warwick is considering adopting a local law enacting a new Chapter to the Village Code to be listed as “Chapter 115 – Short Term Rental Property.” The Code amendment will establish a municipal registration and permitting requirement for all short-term rental dwelling units within the Village of Warwick. The local law will also enact regulations for the administration of and enforcement of the Village's permitting requirement and establish regulations for maintenance of short-term rental properties.

The proposed action may be a Type II Action under SEQRA, as it appears to constitute “inspections and licensing activities relating to the qualifications of individuals or businesses to engage in their business or profession” (6 NYCRR §617.5(24)) and/or “adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list” (i.e., licensing activities) (6 NYCRR §617.5(27)). However, in an excess of caution and showing deference to SEQRA, the Village is treating the proposed action as an Unlisted Action for purposes of SEQRA review.
