

**LET'S WORK TOGETHER FOR A HEALTHIER,
LEAD-FREE WARWICK!**

MONIES AND AWARDS RECEIVED

Government Records Management Improvement Fund

Village of Warwick was awarded the 2024-25 Local Government Records Management Improvement Fund in the amount of \$40,942 for a comprehensive Inactive & Active Records Inventory and Planning Project for the Building & Planning Department, DPW, Water Department & Assessor's Office.

Safe Streets & Roads for All Grant

The Village of Warwick has been awarded the United States Department of Transportation (USDOT) and the Federal Highway Administration (FHWA) Safe Streets & Roads For All grant in the amount of \$406,167.00.

The grant covers two main scopes of work. The first, which directly benefits the Village, is the "Slow-down, Warwick" campaign. This initiative will involve a partnership with the artist community and a transportation planner. The project aims to address high-risk locations within the Village by implementing attention-grabbing signage, street paintings, and other measures to influence driver behavior. The effectiveness of these interventions will be studied through pre, during, and post-project data collection, with the potential for broader application town-wide based on positive results.

The second scope involves developing a Town-wide Transportation Safety Action Plan. This will include hiring a transportation planner and engaging with the community to assess overall mobility and safety for various modes of transport, including cars, pedestrians, and cyclists. Completing this plan will make the Village eligible for additional federal funding.

New York State LTAP

Recognizes the Village of Warwick DPW

The New York State LTAP Center – Cornell Local Roads Program (NYSLTAP-CLRP) recognizes the Village of Warwick Department of Public Works for outstanding achievement in innovation through the NYSLTAP-CLRP's 2024 Build a Better Mousetrap Competition. NYSLTAP-CLRP provides training to and

answers technical questions from highway and public works departments across New York State to help improve the quality and safety of roads and streets.

The Department displayed exemplary ingenuity in the development of "The Fin-isher." This innovation allows the department to efficiently and effectively replace a broken curb box rod. A typical replacement involves digging a large hole with an excavator, which is time-consuming and disruptive. Alternatively, using a vac truck creates a smaller, more precise hole with minimal soil disturbance. However, you can't put a worker in it to reach 5 feet underground, to remove and install a new pin and rod. With the creation of the "Fin-isher" the Village of Warwick Department of Public Works can remove the pin and old rod, replace with new, and fill the hole back in a matter of minutes!

In creating "The Fin-isher," the Village of Warwick Department of Public Works demonstrated thinking 'outside the box' that went above and beyond the norm. Their willingness to share their innovation with the rest of the New York State highway community shows a generosity of spirit and goodwill.

GENERAL ELECTIONS

Election Day is Tuesday, November 5. For information on how to register to vote, where to vote and how to obtain an absentee ballot, please visit the Orange County Board of Elections at: www.orangecountygov.com/783/Board-of-Elections or call (845) 360-6500.

NOTES FROM DEPARTMENT OF PUBLIC WORKS

VILLAGE OF WARWICK FALL LEAF PICKUP

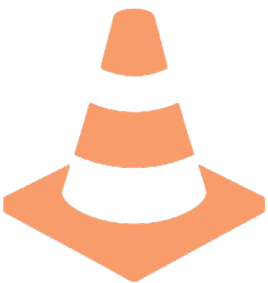

Now that fall is here the Village of Warwick will begin picking up leaves beginning November 1. Leaves must be placed at the curb in paper bags. The last pickup will be during the week of December 16th.

Village residents may also bring bagged leaves to the Village Brush Pile which is open every Saturday and Sunday in October and November from 12-4pm.

PARKING RESTRICTIONS

NOVEMBER 1ST – APRIL 1ST

Please take notice that on-street parking within the Village of Warwick is prohibited between the hours of 2:00 a.m. and 6:00 a.m. from November 1st through April 1st.

Information for Seniors

WARWICK SENIOR GROUPS

WARWICK FRIENDLY VISITOR PROGRAM

The Town of Warwick Friendly Visitor Program pairs seniors with trained volunteers to provide local essential transportation, help with grocery shopping and provide wellness calls and visits to homebound adults over 60. The Town of Warwick Friendly Visitor Program partners with Jewish Family Services of Orange and Orange County Office for the Aging to help our local neighbors and those who live in neighboring towns in Orange County.

For the next volunteer training session and more information call 845-341-1173 x 305 or email volunteer@jfsorange.org.

VILLAGE OF WARWICK SENIOR TAX EXEMPTION

Pursuant to §467 of the New York Real Property Tax Law, real property owned by senior citizens, 65 years of age or over, with an annual income of \$26,900 or less may be entitled to a partial Village Tax exemption. War Veterans, Combat Veterans and Disabled Veterans, regardless of age may also be eligible for exemptions. Applications for Tax Exemptions and forms for the renewal of tax exemptions for Village taxes must be filed with the Village Clerk's Office no later than January 1st each year. For more information, please visit the Village's website www.villageofwarwick.org or call the Clerk's Office at (845) 986-2031.

ORANGE COUNTY OFFICE OF THE AGING

The Orange County Office for the Aging is committed to meeting the special service needs of Orange County's senior population, their families and friends who care for them. Orange County Office for the Aging offers services, either directly or through sub-contracts, designed to maintain the quality of life of those aged 60 and over.

VILLAGE OF WARWICK

Summer Summary

SUMMER REC PROGRAMS

The 2024 Village of Warwick Recreation Programs had another successful summer. 1,006 children were enrolled throughout the 8 programs. This was an increase in participation from the 2023 season. The Village of Warwick hired 63 employees that helped run all of the programs.

The Stanley Deming Park Program was the most popular program this summer. This was the first summer that children registered weekly to get more children enrolled. No child was wait-listed this summer. A wide variety of arts and crafts were made throughout the summer. Tie-dying shirts was the big hit for arts and crafts. The following tournaments took place at the Park Program: soccer, basketball, dodgeball, homerun derby, spikeball and touch football.

Sports programs included: tennis, football, soccer, lacrosse, track, cheerleading and basketball; and were very successful. Children learned skills of the sport, rules of the game and game participation. With the summer Olympics taking place this year, the Olympic Week at the track program was a huge hit. Every child received a track ribbon and many medals were handed out to the winners of the various events that took place during the week.

VILLAGE OF GREENWOOD LAKE CENTENNIAL CELEBRATION

On Saturday, August 17, the Village of Warwick participated in Greenwood Lake's Centennial Parade.

The Village of Warwick gifted the Village of Greenwood Lake a Maple tree to commemorate the occasion.

Village of Warwick Mayor, Michael Newhard and Village of Greenwood Lake Mayor, Thomas Howley with Greenwood Lake and Warwick Board members pose in front of Maple tree.

VILLAGE OF WARWICK SUMMER INTERNS

MEGAN DESRATS

Megan is going into her sophomore year at SUNY Oneonta where she is studying business.

During her internship, Megan assisted the Village Clerk, Treasurer, Water Billing Department and Planning Department with researching and organizing historical records, records management, on-boarding of this year's recreation staff, updating and digitizing annual records, forms and calendars, and performing in-depth research for the Water Department. Megan's work also included organizing important files and maps needed to kick off the current Lead Line Inventory project.

Megan really enjoyed her experience and is thankful for the opportunity.

WARWICK VALLEY FARMERS' MARKET CELEBRATES 30 YEARS

*Ribbon Cutting on opening day,
Sunday May 14*

*Photo courtesy of Warwick Valley
Chamber of Commerce*

The Warwick Valley Farmers' Market is celebrating its thirtieth year this season.

The occasion was marked on Sunday, July 14 with a ribbon cutting. Members of the Warwick Valley Chamber, elected officials were present as Cheryl Rogowski and Fern Parkin cut the ribbon.

Warwick Valley Farmers' Market will be running every Sunday from 9 a.m. - 2 p.m. until Thanksgiving.

TOWN OF WARWICK PROVIDES PERMANENT 988 SIGNS

*Members of Warwick Cares, Supervisor
Dwyer, Chief Rader, Lt. Morley,
Mayor Newhard and Trustee Collura
with the new signs.*

Photo courtesy of Jennifer O'Connor

Warwick Cares, a local non-for profit Mental Health Awareness and Suicide Prevention organization, worked with the Town of Warwick to produce and distribute fifty permanent signs. The signs have been distributed throughout the Town, hamlets and Villages.

The 988 Lifeline provides 24/7, free and confidential support for people in distress, prevention and crisis resources for you or your loved ones, and best practices for professionals in the United States.

TIM VERBOYS

Tim is studying Aerospace and Mechanical Engineering at the University of Buffalo.

Over the Summer, Tim worked on the Village's Lead Service Line project, logged assets for the village and worked on the repairs made on the Library's Stormwater Structure

Tim's favorite part of the experience was getting to collaborate with all the different members of the Village staff to complete a variety of projects.

Tim would like to thank the entire staff once again for all of the guidance and wisdom they imparted onto him.

LEAVES: Please see DPW Notes on brush pile and leaf pick-up. Please be mindful and do not dump leaves in the street as they will clog the storm drains and may cause flooding.

AS WE APPROACH THE HOLIDAY SEASON, PLEASE KEEP THESE VILLAGE NOISE AND LIGHTING REGULATIONS IN MIND:

Noise: Avoid loud or disturbing sounds between 11:00 p.m. and 7:00 a.m.

Holiday Decorations: Keep any sound-producing decorations at a reasonable volume, not heard from 60 feet away or inside homes.

Holiday Lighting: Ensure lights are directed away from streets and neighboring properties, avoiding glare or disruption.

Let's make this holiday season enjoyable for everyone!

FROM THE BUILDING DEPARTMENT

PLEASE NOTE: The building of any shed, fences, pergolas, generators and car chargers require a permit. Discovery of an unpermitted item will double the standard fee of \$150.
