Section 1. For the class of objects or purposes of paying the cost of the various improvements to the Village wastewater collection and treatment facilities, which may include, but are not limited to, the partial reconstruction, redesign and expansion of the existing wastewater treatment plant and new equipment therefor, and including incidental expenses in connection therewith, there are hereby authorized to be issued \$22,160,000 bonds of said Village pursuant to the provisions of the Local Finance Law.

Section 2. The estimated maximum cost of the aforesaid class of objects or purposes is hereby determined to be \$22,160,000, and the plan for the financing thereof is by the issuance of \$22,160,000 bonds of said Village authorized to be issued pursuant to this bond resolution, provided, however, that the amount of bonds ultimately to be issued shall be reduced by any Federal or State grant moneys received and applied to pay part of the cost of the aforesaid class of objects or purposes.

Section 5. The faith and credit of said Village of Warwick, Orange County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable.
