**REQUEST FOR PROPOSALS FOR PROVIDING
ON-CALL HVAC / PLUMBING SERVICES TO THE VILLAGE OF WARWICK**

All contractors must comply with the included General Instructions for Proposals.

OBJECTIVE

It is the intent of this specification to describe the minimum requirements for providing a qualified contractor to provide hourly HVAC/Plumbing work pursuant to the Building Code in all Village of Warwick facilities as directed. Contractor is to provide labor with adequate supervision, training, oversight, tools, and equipment. The contractor must be properly licensed and be able to perform HVAC/Plumbing work in all Village of Warwick facilities and must comply with all local, state and National Laws. Based on the rates provided in this proposal, the contractor will provide a quote to the Village for specific projects as requested by the Village.

Contractors submitting proposals should thoroughly review all related documents and specifications, project sites, and any other information needed to submit proposal. Prior to the awarding of the contract, contractors must provide valid insurance certificates meeting the requirements of the General Instructions for Proposals.

All Proposals must be submitted on the supplied Proposal Form along with any additional documentation required. Prices will only be evaluated based on the submitted Proposal Form. Proposals must be submitted to the Village of Warwick, 77 Main Street, PO Box 369, Warwick, NY 10990 on or before 11 a.m. **March 31, 2026.**

SCOPE OF WORK

1. The scope of this contract will be for hourly labor to perform HVAC/Plumbing in all Village of Warwick facilities.
2. All work will be performed by experienced capable electricians in a workmanlike manner under the direction of an Orange County Licensed Electrician.
3. Work will be charged at the hourly rate established by this proposal. Work performed shall be as assigned by the Public Works Supervisor and completed to the satisfaction of the Public Works Supervisor.
4. The contractor must also provide emergency service as needed and specified in this document.
5. All workers on this contract will be compensated in accordance with New York State Prevailing Wage. Contractors shall maintain that they are in compliance with Article 8, Section 220 of the New York State Labor Law regarding the payment of prevailing wages and shall submit certified payroll records as per Section 220, subdivision 3-a.

6. All rates provided in this proposal shall remain in effect until **May 31, 2028** unless they must be increased to meet the minimum Prevailing Wage rates set by the State of New York.

WORK INCLUDED

Without limiting the generality of the foregoing, the following work is to be included:

1. Provide labor to accomplish various HVAC/Plumbing projects
2. All personnel will be experienced and trained in the tasks and type of work they are performing and complete all tasks in a workmanlike manner.
3. Supply of all tools and equipment to complete all tasks.
4. Only time on the job will be invoiced by the contractor. That time can include travel to obtain materials if that travel is authorized prior by the Village.
5. All work will conform in every way with any and all applicable codes, regulations, laws, etc.
6. All materials, tools, equipment, etc. will be used in a manner that is consistent with standard industry practices and methods,
7. All materials will be industry standard or better.
8. All regularly manufactured stock HVAC/Plumbing items must be compliant with the Building Code.
9. All decisions regarding work will place the primary and utmost importance upon the safety of the occupants of the facilities and the workers.
10. The Village of Warwick reserves the right to ban from the facilities any employee of the contractor and the right to ask any employee of the contractor to vacate the facilities at any time.
11. Workspace shall be maintained in a clean, safe manner at all times and will comply with all OSHA regulations at all times, including, but not limited to fully complying with and practicing Lock-Out Tag-Out procedures.
12. For all specific project quotes the contractor is responsible for supplying the Village of Warwick with a list of materials needed and the cost of such materials in advance of the project.
13. Should additional materials be needed, they will be picked up by Village of Warwick personnel or by contractor's personnel at the discretion of the Village of Warwick.

INSPECTIONS & PERMITS

1. Any required inspections and permits shall be obtained and coordinated by the contractor.
2. The Village of Warwick will pay all fees and charges for inspections and permits.
3. The contractor is to notify the Public Works Supervisor or his designee of the outcomes of all inspections within four (4) hours.

4. Any items identified by an inspector as needing correction attributable to the contractor shall be corrected in a timely fashion at no cost to the Village of Warwick.

WORK PROCEDURES

1. For each project the contractor will present to the Public Works Supervisor an estimate of man-hours and a list of materials.
2. The work will not commence until the Mayor of the Village of Warwick has signed a Purchase Order for the project.
3. At the conclusion of the project, the contractor shall submit an invoice and voucher as required by the Village.
4. Identification badges will be issued to employees of the contractor which shall be worn while on Village property.
5. The Public Works Supervisor may request meetings with the contractor; the frequency of these meetings will be determined by the amount and scope of work in progress or planned.
6. The meetings with the Public Works Supervisor will be at no cost to the Village.
7. All employees and persons connected with the contractor shall present themselves in dress, attitude, and speak in a manner consistent with that of a public setting.
8. *The Village reserves the right to make awards to more than one company and assign the work in the best interest of the Village.*

AWARDS

1. The Village reserves the right to make awards to more than one company and assign the work in the best interest of the Village.

TIME FRAME AND CONTACTS

2. All projects and work must be completed in a timely fashion,
3. Contractor must have the ability to provide additional personnel as needed to make agreed upon deadlines and timeframes.
4. The Village of Warwick must be able to have access to a person in the contractor's organization at all times who can provide service answers, responses, and direct contractor's staff. This person must be reachable by cell phone or pager.

EMERGENCIES

1. All emergencies, as declared by the Public Works Supervisor of the Village of Warwick, must be responded to in a timely fashion.
2. All calls must be answered within fifteen (15) minutes.

3. Competent, capable personnel must be on site within ninety (90) minutes from notification by pager, cell phone, or whatever method the contractor states. These personnel must be capable of handling the situation.
4. If deemed an emergency by the Public Works Supervisor or his/her designee(s), the requirement to wait for a properly executed and signed Purchase Order is rescinded.

REFERENCES

Each proposal shall contain a listing of no less than three (3) references for which similar work has been performed. Reference information shall contain the contact name, facility name and address, telephone number, facsimile number, and shall include a complete description of the work performed.

SITES

Work performed under this proposal and contract can be at any owned or leased facility of the Village of Warwick located in or approximate to the Village of Warwick, Orange County, New York.

VILLAGE OF WARWICK

GENERAL INSTRUCTIONS FOR PROPOSALS

Contractors will be bound to the conditions and requirements set forth in these general instructions, and such instructions shall form an integral part of each contract awarded by the Village of Warwick.

PROPOSALS

1. The deadline to submit proposals will be given in the Request for Proposals.
2. All proposals must be submitted in accordance with the instructions provided by the Village of Warwick.
3. All proposals received after the time stated in the Request for Proposals will not be considered and will be returned unopened to the contractor. The contractor assumes the risk of any delay in the mail or in the handling of the mail by the employees of the Village. Whether sent by mail or by means of personal delivery, the contractor assumes responsibility for having his proposal deposited on time at the place specified.
4. All information required by the Request for Proposals, the General and Special Instructions, and the Proposal Form must be given to constitute a proposal.
5. The submission of a proposal will be construed to mean that the contractor is fully informed as to the extent and character of the supplies, materials, or equipment's required and a representation that the contractor can furnish the supplies, materials, or equipment satisfactorily in complete compliance with the specifications.
6. No alteration, erasure, or addition is to be made in the typewritten or printed matter. Deviations from the specifications must be set forth in space provided in the proposal for this purpose.
7. Prices and information required must be legible. Illegible or vague proposals may be rejected. All signatures must be written. Facsimile, printed, or typewritten signatures are not acceptable.
8. No charge will be allowed for federal, state, or municipal sales and excise taxes since the Village is exempt from such taxes. The price proposal shall be net and shall not include the amount of any tax.
9. The contractor's attention is directed to the fact that all applicable Federal and State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full.
10. Each envelope containing a Proposal must bear on the outside, the name and address of the Contractor, and the name of the project for which the Proposal is submitted. If forward by mail, the sealed envelope containing the Proposal must be enclosed in another envelope addressed as specified above.

11. No interpretations of the meaning of the drawings, specifications or others proposal documents will be made to any contractor orally. Every request for such interpretation should be in writing addressed to the Village of Warwick and to be given consideration must be received at least five (5) working days prior to the date fixed for the opening of proposals. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be sent to all prospective contractors (at the respective addresses furnished for such purposes) not later than three working days prior to the date fixed for the opening of proposals. Failure of any contractor to receive any such addendum or interpretation shall not relieve such contractor from any obligation under his proposal as submitted. All addenda so issued shall become part of the contract documents.
12. If the supplies, materials, or equipment are to be delivered over an extended period of time or if the specifications so state, then the successful contractor may be required to execute an agreement in relation to the performance of his/her contract. If the specifications so state, the successful contractor may be required to furnish a performance bond equal to the full amount of the contract to guarantee the faithful performance of such contract. Such performance bond shall be maintained in full force and effect until the contract shall have been fully performed. The surety company furnishing such performance bond shall be authorized to do business in the State of New York and must be satisfactory to the Village of Warwick.
13. All contractors are required to execute a non-collusion certificate pursuant to Section 103 of the General Municipal Law of the State of New York.
14. The contractor agrees to abide by the requirements under Executive Order No. 11246, as amended, including specifically, the provisions of the equal opportunity clause.

INSURANCE

15. Notwithstanding any terms, conditions or provisions, in any other writing between the parties, the contractor/permittee hereby agrees to effectuate the naming of the Village of Warwick as an unrestricted additional insured on the contractor's insurance policies, with the exception of workers' compensation. If the contractor is self-insured, evidence of its status as a self-insured entity shall be provided to municipality. If requested, the contractor must describe its financial condition and the self-insured funding mechanism.
16. The policy naming the municipality as an additional insured shall:
 - a. Be an insurance policy from an A.M. Best rated "secure" insurer, authorized to write business in New York State.
 - b. Contain a 30-day notice of cancellation.
 - c. State that the organization's coverage shall be primary coverage for the Municipality, its Board, employees and volunteers.

AWARDS

24. *The Village reserves the right to make awards to more than one company and assign the work in the best interest of the Village.*
25. Award(s) will be made to the lowest responsible contractor(s), as will best promote the public interest, taking into consideration the reliability of the contractor(s), the quality of the materials, equipment, or supplies to be furnished, their conformity with the specifications, the purpose of which is required, and the terms of delivery.
26. The Village of Warwick reserves the right to reject any or all proposals. The Village may consider informal any Proposal not prepared and submitted in accordance with the provisions hereof. Also reserved is the right to reject, for cause, any proposal in whole or part; to waive any informalities, technicalities, qualifications, irregularities, and omissions if in its judgment the best interests of the Village will be served.

27. Any Proposal may be withdrawn prior to the above scheduled time for the opening of the Proposals or authorized postponements thereof. No Contractor may withdraw a Proposal within 45 days after the actual date of the opening thereof.

CONTRACTS

28. A contract shall bind the successful contractor on his part to furnish and deliver at the prices and in accordance with the conditions of this proposal. Contract shall bind the Village on its part to order from the successful contractor and to pay at the contract prices, unless otherwise specified.
29. The placing in the mail of a notice of award to the successful contractor, to the address given in his proposal, will be considered sufficient notice of acceptance of this proposal.
30. A contract may be cancelled for non-performance.
31. No items are to be shipped or delivered until receipt of an official purchase order from the Village of Warwick.
32. It is mutually understood and agreed that the successful contractor shall not assign, transfer, convey, sublet or otherwise dispose of the contract of his/her right, title or interest therein, or his power to execute such contract, to any other person, company or corporation, without the previous written consent of the Village of Warwick.

INSTALLATION OF EQUIPMENT

33. All equipment will be purchased at the discretion of the Village of Warwick.
34. The successful contractor shall clean up and remove all debris and rubbish resulting from his/her work from time to time as required or directed. Upon completion of the work the premise shall be left in neat, unobstructed condition, and the building room cleaned, and everything in perfect repair order. Materials are the property of the successful contractor unless otherwise specified.
35. Equipment, supplies, and materials shall be stored at the site only on the approval of the Village and at the successful contractor's risk. In general, on-site storage should be avoided to prevent possible damage or loss of materials.
36. Work shall be progressed so as to cause the least inconvenience to the Village and with proper consideration for the rights of other successful contractors or workmen. The successful contractor shall keep in touch with the entire operation and install his work promptly.
37. Contractors shall acquaint themselves with conditions found at the site and shall assume all responsibility for placing and installing the equipment in locations required.
